X-Men: Apocalypse will be released on April 13, 2016 in USA. The film is directed by Bryan Singer and stars James McAvoy, Michael Fassbender, Jennifer Lawrence, Nicholas Hoult, Rose Byrne, Tye Sheridan, Sophie Turner, Alexandra Shipp and Olivia Munn. The film's plot synopsis is as follows: An ancient evil has awoken from its slumber to infect the Earth and the X-Men struggle to survive. After years in a hidden world called the Far Harbor, Erik Lensherr, Magneto and the Brotherhood return to Earth to enact a plan they have been developing for thousands of years. But when they attack the future, and past, of mutants and humans alike, the X-Men will discover a startling revelation that will separate them once again, challenging whether they are human or mutant, hero or villain. Chapter 2: "A New World" The X-Men are scattered across the globe and none are safe from the dangers of battle. All is not as it seems, as a sinister new Brotherhood arises to threaten the far flung X-Men. Erik Lensherr and Mystique make their move to assassinate Charles Xavier. Chapter 3: "War Games" Blair struggles to hold off the volatile Angel in the face of personal attack, while Xavier and Magneto are conflicted over their shared mission. Meanwhile, Val and Charles face threats from around the globe. Chapter 4: "Crux" The remaining X-Men try to keep a fragile peace, while the Brotherhood and the U.S. military make a dangerous alliance. The X-Men face a growing sense of threat from within their own ranks as Erik and Mystique continue to try and kill Charles Xavier. Chapter 5: "Escape from the Darkforce Dimension" In a race against time, the X-Men realize they must join forces with the Brotherhood in order to save the world. Chapter 6: "The New Mutants" As the two teams join forces, Xavier feels the danger his people face, while Erik Lensherr begins a plan to destroy their most important connection. Chapter 7: "Dreams and Nightmares" As the war between 82157476af
